**AUDITORS' REPORT ON THE REVIEW OF INTERIM CONSOLIDATED
FINANCIAL STATEMENTS**

**SHAREHOLDERS OF
SAUDI INDUSTRIAL INVESTMENT GROUP
(A Saudi Joint Stock Company)**

We have examined the accompanying Interim consolidated balance sheet of **SAUDI INDUSTRIAL INVESTMENT GROUP (A Saudi Joint Stock Company)** as of June 30, 2007 and the related statements of income, changes in shareholders' equity and cash flows for the six months period then ended, which have been prepared by the company and submitted to us together with all the information and explanations which we requested. We consolidated the interim financial statements based on financial data submitted to us from the company for its affiliate companies (Saudi Chevron Phillips Company and Jubail Chevron Phillips Company which the Company owns 50% from their shares) for the period ended June 30, 2007.

Our examination was limited and was conducted in accordance with the Saudi Organization for Certified Public Accountants standard on interim consolidated financial statements. The limited examination consists principally of analytical procedures applied to financial data and inquiries of the Company's personnel responsible for financial and accounting matters. It is substantially less in scope than an audit in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Based on our limited review, we are not aware of any material modifications that should be made to the interim consolidated financial statements for the six months' period ended June 30, 2007 to be in conformity with generally accepted accounting principles.
